08th February 2022

Dear Parent/Guardian

Within Kilbroney, we have a range of events happening over the next two weeks. For up to date information please download the school app or visit the school website.

Safer Internet Day/Children's Mental Health Week

Today we recognise the importance of safety when using the internet. Pupils participated in various lessons as well as a whole school competition. The competition asked them to create an awareness poster or design a new app to promote online safety for children. Information and guidance for parents has been posted on our school website. Throughout the week, pupils of Kilbroney Integrated will be partaking in various PDMU lessons based around children's mental health.

PTA Movie

As a mid-term treat, the school PTA have organised for each class to watch a movie on Friday 11th February. The PTA will also provide snacks and drinks. Please check your class home learning pages for details on the selected movie.

Valentine's Day

Monday 14th February will be a non-uniform day for all pupils. In celebration of Valentine's day, we ask that pupils try to include red in their outfit. Class discos will also be held throughout the course of the day.

PE Gear Alternative

The online shop is once again open for a limited time. The link has been posted on the school website and will remain open until Sunday 13th February. Please note that this is not a compulsory PE uniform but is an alternative to the crested polo. PE kits are to be worn on PE days only. Coats and quarter zips may be worn at any time but will not replace the school jumper. Samples can be viewed at the school office.

Mid Term Break

Please note that Tuesday 15th February is an early closure, with all pupils leaving at 1.15pm. The school bus **will** be available on this day. The school will re-open for pupils on Monday 21st February.

Secondary School Applications

Please note that the online portal for secondary school is now open. For more information, please see the EA website. If you require help with your application, please contact the school office.

Covid 19

I wish to thank you for your resilience over the past few months regarding testing and completion of home learning work. We have been fortunate enough to limit the impact on the children and keep the classes within school. Hopefully we will start to see an ease of restrictions in the near future. If you are unsure of the current rules, please contact the school office for more information.

Yours Faithfully

M Thompson
(Acting Principal)
